

How can you develop a faith that will remain strong when everyday circumstances get you down? Where can you get the wisdom that will help you to make the right choices in life's many decisions? This book of James gives reassuring answers to these questions and many others. In fact, James provides very practical guidance on the most pressing life issues that affect Christian women daily.

This study begins November 8<sup>th</sup> with a slight pause from November 29<sup>th</sup> to December 20<sup>th</sup> when we will be in an Advent study led by Marne Helberg.

How might a house look for Christmas based on what each Gospel says about it? In *Christmas in the Four Gospel Homes*, beautiful illustrations from architect Kevin Burns reimagine each of the four Gospels as a "house," which the church visits at Christmas. For each week of Advent, Cynthia M. Campbell reflects on the distinctive perspective of the birth of Jesus or the incarnation offered by each Gospel.
